Subject: Friday Feb 26 - Operations Detailed Design Review Part II

A quick update on the Operations Detailed Design Review:

1. We will re convene for Part II of our review:

Friday February 26, 2010
9 am to noon
Viewing Gallery IESO

2. We will post a red lined copy of the DD document for your review to the [EDAC Stakeholder Engagement portal](#) by noon Friday Feb 19, 2010. You will get a notification of this posting via the MPI Portal messaging.
3. The document will be posted as Meeting Materials to the IESO website early next week on the SE-73 – Operations WG website. A meeting agenda and draft minutes from the last meeting will be posted at that time, to both the website and the portal.
