## IESO SENIOR MANAGEMENT UPDATE

To: Stakeholder Advisory Committee

Date: April 4, 2007

Subject: **Reliability Standards Standing Committee (RSSC)**

Information Item Only

The inaugural meeting of the Reliability Standards Standing Committee (RSSC) was held on March 30, 2006 at the Skymark facility. The day event was attended by 13 RSSC members from various organizations including , Ontario Power Generation, Hydro One, Brookfield Power, Direct Energy, PowerStream, ENWIN as well as the Ontario Energy Board. The meeting also included consultants from Kestrel, AESI, and N-Dimension. A complete listing of the members is posted at:

<http://www.ieso.ca/imoweb/pubs/consult/rssc/rssc-Members.pdf>

Primary discussion points were an interim solution to the OEB's remand authority mechanism and the IESO working with market participants in helping them understand their reliability standards compliance obligations. In general, members indicated that a simple, practical, timely, and cost-effective interim remand mechanism is required.

The group decided to meet on a quarterly basis with web conference sessions supporting RSSC discussions as required.

The agenda for this meeting as well as the associated materials can be found at: [http://www.ieso.ca/imoweb/consult/consult\\_rssc.asp](http://www.ieso.ca/imoweb/consult/consult_rssc.asp). The minutes will be posted shortly.
