**Re:** Call for Nominations to the IESO Stakeholder Advisory Committee to the Board of Directors and Executive

The Stakeholder Advisory Committee to the IESO Board of Directors and Executive is designed to afford senior stakeholder representatives the opportunity to provide policy-level advice and recommendations directly to the IESO Board of Directors and Executive on IESO market development decisions (e.g., decisions that have a material affect on the existing electricity market or future evolution of the market), IESO planning decisions (e.g., business plans, etc.), or any other matter that may be of concern to stakeholders.

The IESO Board of Directors is seeking nominations for candidates to represent the constituencies listed below as members of the Stakeholder Advisory Committee. The terms of the current members representing the constituencies listed below expire in November, 2008.

Distributor	Mr. Doug Reeves – Greater Sudbury Utilities Inc. Mr. Reeves has completed one term and has indicated he does not plan to return for the second term
Environmental	Bruce Lourie – Ivey Foundation Mr. Lourie has resigned
Generators	Mr. Richard Horrobin – Bruce Power Mr. Horrobin has completed one term and has indicated he wishes to continue for a second term

Each of these individuals has made valuable contributions to the Stakeholder Advisory Committee during their term.
