

Testing

Presentation to FOMS Working Group
January 19, 2007

- User Interface
 - Need to obtain test accounts (sandbox system)
 - Gives an opportunity for end users to get familiar with the tool and test their business processes
- API
 - Need to obtain test account (sandbox system)
 - Scheduled testing with IESO staff
- Pre-populated data will be available for testing
- IESO will complete testing before FOMS goes to the sandbox system
