Technical Feasibility Exception Application - Part B

Issue 1.0

This document serves as a guide for Part B of the
Technical Feasibility Exception Application.

Disclaimer

The posting of documents on this Web site is done for the convenience of *market participants* and other interested visitors to the *IESO* Web site. Please be advised that, while the *IESO* attempts to have all posted documents conform to the original, changes can result from the original, including changes resulting from the programs used to format the documents for posting on the Web site as well as from the programs used by the viewer to download and read the documents. The *IESO* makes no representation or warranty, express or implied, that the documents on this Web site are exact reproductions of the original documents listed. In addition, the documents and information posted on this Web site are subject to change. The *IESO* may revise, withdraw or make final these materials at any time at its sole discretion without further notice. It is solely your responsibility to ensure that you are using up-to-date documents and information.

This document may contain a summary of a particular *market rule*. Where provided, the summary has been used because of the length of the *market rule* itself. The reader should be aware, however, that where a *market rule* is applicable, the obligation that needs to be met is as stated in the “Market Rules”. To the extent of any discrepancy or inconsistency between the provisions of a particular *market rule* and the summary, the provision of the *market rule* shall govern.

Table of Changes

Reference (Section and Paragraph)	Description of Change

1. Introduction

1.1 Purpose

This guide contains information required for Part B submissions of a *TFE application*. This document serves as a guide only. *TFE applicants* should reference the *NERC TFE Process* for a complete list of required information to be included in the Part B *TFE application*.

1.2 Who Should Use This Document

This guide is to be used by *TFE applicants* seeking to complete Part B of the *TFE application* process.

1.3 Conventions

The standard conventions followed for this document are as follows:

- The word 'shall' denotes a mandatory requirement;
- Terms and acronyms used in this document that are *italicized* have the meanings ascribed thereto in Chapter 11 of the *market rules*;
- Double quotation marks are used to indicate titles of legislation, publications, forms and other documents.
