

IESO 2009 Meter Audit Program

RMSC Meeting April 2, 2009

Neill Wong, Settlements, Metering Installations

- IESO conducts office & field compliance audits
- Focused primarily on meter points upgraded in 2008 + large generating stations
- Eastern, central & southern Ontario meter points
- Pool of eligible meter points ~ 880
- Proportioned by meters registered by all MSPs
- Meter points selected for audit ~ 140
- Audits being scheduled; notification letters sent out
